

2019 SASKATCHEWAN PASTURE TOUR HANLEY AREA

Thursday, August 8th, 2019

Join us for a day of touring innovative producer's operations to learn the latest information on forage species, risk management, pasture management, and CAP programming. **Registration begins at 8:00 am** at the Hanley Community Hall, and **the bus will start loading at 8:30 am**. The tour will visit the Carpenter Ranch, Trish McPhee's native prairie, the Kroeger bison farm, and the Dyck pasture. **Supper will be served at 5:30**, followed by talks from **Bob Tosh, MNP** about **family farm transition** and **Chad Bruynooghe** about **Verified Beef Production Plus**.

Tour Highlights:

- Establishing new forage stands
- Alfalfa Winterkill
- Watering Systems
- Invasive Species
- Rotational Grazing Management
- Funding Opportunities
- Range Health
- Plant Identification
- On-pasture handling systems
- Cost of production
- Silage feeding substitution for hay
- Irrigation on silage crops

Participating Organizations:

Ducks Unlimited Canada
Conserving Canada's Wetlands

****The day will proceed rain or shine. In case of rain we will have presentations at the Hanley Community Hall****
