

GUARDIANS OF THE GRASSLANDS

SOMETIMES WHAT YOU THOUGHT WAS THE PROBLEM, IS REALLY THE SOLUTION.

Presented by:

Saskatchewan
Prairie Conservation
Action Plan

**Join us for a *Free* screening of the film
"Guardians of the Grasslands"**

"The 12-minute film focuses on the peril of the temperate grasslands as one of the most imperiled biomes in the world, and the value of the grasslands in terms of wildlife habitat and carbon sequestration".

Screening will be followed by a panel discussion of grassland experts.
